 25 in any way affecting the liens on the lands therein named and to be improved thereby, to further pass a collective or cumulative by-law consolidating such several amounts, and to issue the required debentures in a general consecutive issue under such consolidated by-law, apportioning, nevertheless, the  
 30 amount raised thereby, and crediting each service with the amount previously estimated and named for the same under the individual by-law passed in the first instance; and for the purpose of more readily carrying this proviso into effect, the said council shall insert a clause in such individual by-  
 35 laws intimating that the amount of debentures to be issued thereunder is subject to consolidation, and in such case it shall be sufficient to state in said individual by-laws that the said amount of debentures to be issued thereunder shall be issued at so many years from the date of issue of the same, without  
 40 defining a specific date; and provided further, that no consolidated debentures shall be issued covering any debentures which may have been issued or sold under any original by-law.

15. If in any case any debt has been incurred by the city 40 for any work or improvement done or constructed under the provisions of this Act and after the incurring of said debt, the special assessment for such work or improvement or the by-law providing for borrowing money therefor, be set aside or quashed, either wholly or in part, on the ground of 45 any irregularity or illegality in the making of such assessment or passing such by-law, it shall be lawful for the said council, and they are hereby authorized to cause a new assessment or assessments to be made, and to pass a new by-law or by-laws so often as may be necessary to provide funds for the payment 50 of the debt so incurred for such work or improvement; provided always that nothing herein contained shall be construed as authorizing any assessment to be made or work or improvement to be undertaken, except the same be initiated in some one of the three methods above provided, namely: 55

(1) Either on the report of the city engineer or other sanitary officer and of a committee of the council recommending the proposed work or improvement for sanitary or drainage purposes adopted by the council; or

5 (2) On a petition of the owners of the real property benefited, sufficiently signed; or

(3) After due notice as above provided of the proposed assessment and no petition of the owners of the real property benefited against the proposed assessment, sufficiently signed,

35 all by-laws passed by the said council for borrowing money by the issue of debentures secured by special assessment on the real property benefited by such works, are hereby declared valid and effectual. By-laws confirmed.

An Act to authorize the Supreme Court of Judicature for Ontario to admit George William Ross to practise as a Solicitor.

**W**HEREAS George William Ross, of the town of Strathroy, Preamble.  
 in the county of Middlesex, hath, by his petition, set forth that he has actually taken and had conferred upon him the degree of Bachelor of Law, and that on the first day of August, one  
 5 thousand eight hundred and seventy-nine, he was duly articulated to a practising attorney and solicitor for a period of five years, which articles were filed with the proper officer on the twenty-first day of August, one thousand eight hundred and seventy-nine, and was, previous to the said first day of August, admitted  
 10 into the Law Society of Upper Canada as a student of law; and that he has been during the last ten years and still is a member of the House of Commons for the Dominion of Canada, and was previously thereto for the period of ten years teacher of public schools and an inspector of public schools for the  
 15 period of ten years and held a first-class A Normal School certificate and was an inspector of Model Schools for the period of four years; and has actually served under said articles continuously from the aforesaid date thereof except for the periods he was required to attend in the said Parliament as member  
 20 thereof, and to fulfil the duties of school inspector; and, whereas by section five of chapter one hundred and forty of the Revised Statutes of Ontario, the said George William Ross is required during the whole of the said term of five years to be actually employed in the proper practice or business of a  
 25 solicitor; and whereas the said George William Ross has passed all the intermediate examinations prescribed by the said Law Society and is desirous of being admitted to practise as a solicitor in the Supreme Court of Judicature for Ontario, and has prayed that an Act may be passed to authorize the said  
 30 Court to admit him to practise as a solicitor therein upon his passing such final examinations as may be prescribed by the said society; and whereas it is expedient to grant the prayer of the said petition;

Therefore Her Majesty, by and with the advice and consent  
 35 of the Legislative Assembly of the Province of Ontario, enacts as follows:—

1. It shall and may be lawful for the Supreme Court of  
 Judicature for Ontario at any time to admit the said George  
 William Ross to practise as a solicitor of the said Court upon  
 40 his paying the proper fees in that behalf and passing the final examination for admission prescribed by the rules of the Law Society of Upper Canada without his compliance with any other requirement or provision of law or other rules and regulations of the said Law Society in that behalf, any law, custom,  
 45 or usage to the contrary notwithstanding.

G. W. Ross may be admitted as a solicitor on certain conditions.

An Act to empower the trustees under the will of the late John Corry Wilson Daly to sell certain lands, and to sell or make division of certain goods.

**W**HEREAS it has been represented to the Legislature of <sup>Preamble.</sup> Ontario that John Corry Wilson Daly, late of the town of Stratford, in the county of Perth, Esquire, died on or about the first day of April, in the year of our Lord one thousand eight hundred and seventy-eight, having first made his last will and testament, bearing date the twenty-ninth day of November, in the year of our Lord one thousand eight hundred and seventy-five, whereby he gave and devised "to his trustees and the survivor of them and the heirs of the survivor of them  
10 his residence or homestead, in the said town of Stratford, known as the 'Brae,' with the field and brick stable in rear, and all the land south of the 'Brae,' from the point where the fence crosses the creek in a straight course south to range with the south fence of the field with the brick stable on; thence east-  
15 erly to the line dividing the foundry land from the 'Brae,'" and gave and bequeathed by his said will to his said trustees, who are Samuel Rollin Hesson, John Idington and Thomas Mayne Daly, the younger, in like manner all the household furniture and personal effects which might be in or upon the  
20 said premises or homestead on the following trusts, that is to say: "(1) To allow either my son Thomas Mayne Daly the elder, or one of his sons, as my said trustees, or a majority of them may from time to time during the lifetime of my said son appoint, (it being distinctly declared hereby that my trustees  
25 shall have power to revoke any such appointment from time to time and re-appoint as often as they deem desirable, either my said son or any of his sons) to reside in and use the said house and lands, as a personal home only, and not otherwise, as and so long as the same is kept by him thus appointed in a fit and  
30 proper state of repair, and enjoy the use also therewith of the said household furniture and personal effects. And I hope that my said trustees may see their way to allowing my said son to use the said house and lands and other property during the term of his natural life; but this expression of my desire  
35 is not to be construed in any way as a trust or imperative direction on my part, and in like manner, without imposing any trust, I would, in the event of my said son's declining to live therein, prefer that the then eldest surviving of my said son's sons should enjoy the use of the same, and in the event of  
40 his declining, that the then next eldest of his sons be offered the use of the same during his father's lifetime. (2) On the death of my said son, to convey the same to my grandson, John Corry Wilson Daly the younger, in fee simple, provided my said trustees or a majority of them consider him in solvent cir-

cumstances and so declare in their conveyance thereof to him, and in default of his then being considered by them to be in such solvent circumstances, and on their so declaring it, to convey the same to my grandsons, Thomas Mayne Daly the younger and Peter Ferguson Daly, or the then survivor of them in fee simple.”

And whereas the said trustees have from time to time offered to appoint the use of the said lands and personal property to said Thomas Mayne Daly, and in default of his accepting same to said John Corry Wilson Daly, or Thomas Mayne Daly the younger, or Peter Ferguson Daly, pursuant to and in accordance with the provisions of the said will, but each and all have uniformly declined to accept the same and declared that they could not advantageously accept same ;

And whereas the said house and buildings were and are very much out of repair, and the same and the grounds therewith are rapidly going to waste for want of proper repairs and attention, and said trustees have not by the said will any funds placed at their disposal to effect such repairs or any power to raise same or in any way appropriate any thing for that purpose ;

And whereas the said trustees have no power to rent said premises, yet during the past year have, pending this application, made a temporary lease thereof and find that unless a large sum be spent on repairs it will be impossible to rent said lands for such a sum as will pay the annual taxes and insurance thereof ;

And whereas the said trustees have since the death of the said testator paid the taxes on said buildings and the insurance thereon, and upon said furniture, and have determined to cease incurring further expense or making further such expenditures, for which they have no protection, and which, even if they had, would be a most imprudent investment ;

And whereas the said testator, being possessed of large means in the shape of real estate, had by said will devised greater part thereof to said trustees for various trusts as therein appears, for the benefit of his widow and descendants, and as to such other lands so devised to the said trustees, gave full and ample power to sell said lands and hold the proceeds of same invested, subject to the like trusts as the lands so devised were, in the like way and manner it is sought to appropriate the proceeds of the sale of the lands in question herein, but did not by said will give such power as to said lands in question herein ;

And whereas the said testator—it is evident from the surrounding circumstances—had never contemplated the probabilities of his descendants being unable and indisposed to accept the benefits he hoped to confer on them or some of them by said devise now in question, or he would have caused to be inserted the like powers of sale and reinvestment as are now asked for ;

And whereas the descendants of said testator, other than said Thomas Mayne Daly the elder, are all now removed from the said town of Stratford, where they resided when testator made his will, the said John Corry Wilson Daly now living in Detroit, in the United States of America, and the said Thomas Mayne Daly the younger and Peter Ferguson Daly now living in Manitoba, and neither they nor their descendants are at all likely to return to Stratford or to have any use for said homestead ;

And whereas the said testator's son and grandsons desire to have and use the said household furniture and effects which were in said house at the time of the testator's death, the same being of no great value, yet prized by said son and 5 grandsons by reason of their having been in use by said testator, and the said trustees desire to be relieved of any further burthen connected therewith under such circumstances;

And whereas the whole scope and purpose of said will would be best subserved by giving said trustees the powers asked 10 for and set forth in this Act;

And whereas the said trustees under the said will have accordingly by their petition prayed for the passing of an Act to empower them, the said trustees, to sell and convey, divide, make partition of or otherwise dispose of the said lands and 15 of the household furniture and personal effects which at the death of the said deceased were in or upon the said premises; and whereas it is desirable to grant the prayer of said petition;

Therefore Her Majesty, by and with the advice and consent 20 of the Legislative Assembly of the Province of Ontario, enacts as follows:—

1. The said trustees, or the trustees for the time being, of said last will and testament shall be and are hereby authorized and empowered to sell and convey to the purchaser or purchasers 25 thereof all and every part of the said lands and premises or any part thereof, at such times, in such parcels or as a whole, and on such terms and for such price as they may deem fit and prudent.

Trustees empowered to sell and convey lands.

2. The said trustees shall thereupon stand possessed of the moneys or securities received from such sale or sales as trustees, 30 to invest the same and keep invested upon the like trusts imposed by and with the like powers of appointment conferred by the said will, and the like powers of revocation and re-appointment also thereby conferred as to the corpus and income thereof respectively, so that the appointments, revoca- 35 tions and re-appointments be made in respect of income from such investments from time to time, in lieu and stead of the use and enjoyment of the said lands and premises, and the corpus of the said fund be appointed as the said lands would or should have been under the said trusts: provided always that 40 the costs and expenses of obtaining this Act, the taxes paid by said trustees on said lands, the insurance premiums paid by said trustees in respect of the buildings on said lands, or on account of said goods, and the costs of administering this amended trust be first paid out of the said trust fund, either 45 out of principal or interest, as and when said trustees may direct; and provided further, that until any such appointment of income, and between the time of the revocation thereof and re-appointment, and so from time to time, the said income so accumulated shall be added to the said corpus or be included 50 and appointed by the next appointment of income as part thereof, as the said trustees for the time being shall declare in making any appointment.

Trusts of proceeds of sale declared.

3. The said trustees or the trustees for the time being of said last will and testament shall be and are hereby authorized and 55 empowered to divide, distribute and apportion amongst and between the said Thomas Mayne Daly, John Corry Wilson

Division of household goods authorized.

Daly, Thomas Mayne Daly the younger, and Peter Ferguson Daly all the said household furniture and personal effects which at the death of the said deceased were in or upon the said premises or homestead, in such shares or proportions or other manner of division as to the said trustees or a majority of them shall seem meet. 5

Sale of household goods authorized.

4. In default of the said trustees acting upon the powers conferred by section three hereof, they are hereby authorized and empowered to sell and dispose of the said household furniture and personal effects in such manner as they deem fit, and upon doing so the balance of the proceeds of such sale, left after paying expenses, shall be added to the proceeds of the sale of the said real estate, and be held by the said trustees therewith upon the like trusts and with the like powers as to both corpus and income thereof, that the said proceeds of the said sales of said lands are held and to be held so that the same be treated as one fund. 10 15

Discretion of trustees.

5. It shall not be imperative upon the said trustees to sell either said goods or lands, notwithstanding anything herein contained. 20

Lease of lands authorized.

6. The said trustees or the trustees of said last will and testament for the time being are absolutely further empowered to lease said lands and premises or any part thereof until sold hereunder, for such term or terms and upon such terms as to payment of rent or for improvements of the premises as the said trustees may deem proper: provided always that any rent so received not required for or used in improvements or for payment of insurance or taxes or expenses of the management, or repairs, or to pay the costs and expenses of this Act, shall be held by the said trustees in the like manner and for the like trusts, and subject to the like powers as are above applied to the income to be derived from the proceeds of the sale of said lands. 25 30

An Act to empower the trustees under the will of the late John Corry Wilson Daly to sell certain lands, and to sell or make division of certain goods.

WHEREAS it has been represented to the Legislature of Preamble.  
 Ontario that John Corry Wilson Daly, late of the town of Stratford, in the county of Perth, Esquire, died on or about the first day of April, in the year of our Lord one thousand  
 5 eight hundred and seventy-eight, having first made his last will and testament, bearing date the twenty-ninth day of November, in the year of our Lord one thousand eight hundred and sev-  
 10 enty-five, whereby he gave and devised "to his trustees and the survivor of them and the heirs of the survivor of them

 15 erly to the line dividing the foundry land from the 'Brae,'" and gave and bequeathed by his said will to his said trustees,  
 who are Samuel Rollin Hesson, John Idington and Thomas Mayne Daly, the younger, in like manner all the household  
 furniture and personal effects which might be in or upon the  
 20 said premises or homestead on the following trusts, that is to say: "(1) To allow either my son Thomas Mayne Daly the

 25 shall have power to revoke any such appointment from time to time and re-appoint as often as they deem desirable, either my  
 said son or any of his sons) to reside in and use the said house and lands, as a personal home only, and not otherwise, as and  
 so long as the same is kept by him thus appointed in a fit and  
 30 proper state of repair, and enjoy the use also therewith of the said household furniture and personal effects. And I hope  
 that my said trustees may see their way to allowing my said son to use the said house and lands and other property during  
 the term of his natural life; but this expression of my desire

And whereas the said trustees have from time to time offered to appoint the use of the said lands and personal property to said Thomas Mayne Daly, and in default of his accepting same to said John Corry Wilson Daly, or Thomas Mayne 10 Daly the younger, or Peter Ferguson Daly, pursuant to and in accordance with the provisions of the said will, but each and all have uniformly declined to accept the same and declared that they could not advantageously accept same ;

And whereas the said house and buildings were and are 15 very much out of repair, and the same and the grounds therewith are rapidly going to waste for want of proper repairs and attention, and said trustees have not by the said will any funds placed at their disposal to effect such repairs or any power to raise same or in any way appropriate any- 20 thing for that purpose ;

And whereas the said trustees have no power to rent said premises, yet during the past year have, pending this application, made a temporary lease thereof and find that unless a large sum be spent on repairs it will be impossible to rent 25 said lands for such a sum as will pay the annual taxes and insurance thereof ;

And whereas the said testator, being possessed of large means in the shape of real estate, had by said will devised 35 greater part thereof to said trustees for various trusts as therein appears, for the benefit of his widow and descendants, and as to such other lands so devised to the said trustees, gave full and ample power to sell said lands and hold the proceeds of same invested, subject to the like trusts as the lands so de- 40 vised were, in the like way and manner it is sought to appropriate the proceeds of the sale of the lands in question herein, but did not by said will give such power as to said lands in question herein ;

And whereas the said testator—it is evident from the sur- 45 rounding circumstances—had never contemplated the probabilities of his descendants being unable and indisposed to accept the benefits he hoped to confer on them or some of them by said devise now in question, or he would have caused to be inserted the like powers of sale and reinvestment as are now 50 asked for ;

And whereas the descendants of said testator, other than said Thomas Mayne Daly the elder, are all now removed from the said town of Stratford, where they resided when testator made his will, the said John Corry Wilson Daly now living in De- 55 troit, in the United States of America, and the said Thomas Mayne Daly the younger and Peter Ferguson Daly now living in Manitoba, these being the only sons of said Thomas Mayne Daly, and neither they nor their descendants are at all likely to return to Stratford or to have any use for said homestead ; 60

And whereas the said testator's *said* son and *said* grandsons desire *this Act to pass, and also desire* to have and use the said household furniture and effects which were in said house at the time of the testator's death, the same being of no great value, 5 yet prized by said son and grandsons by reason of their having been in use by said testator, and the said trustees desire to be relieved of any further burthen connected therewith under such circumstances; and whereas all real and personal estate of the testator not specifically devised or bequeathed by the testa- 10 tor is given by the residuary clauses of said will to the said trustees for the said grandsons and their issue on death of said son according to the trusts set forth in said will and powers of appointment therein contained;

And whereas the whole scope and purpose of said will would 15 be best subserved by giving said trustees the powers asked for and set forth in this Act;

And whereas the said trustees under the said will have accordingly by their petition prayed for the passing of an Act to empower them, the said trustees, to sell and convey, divide, 20 make partition of or otherwise dispose of the said lands and of the household furniture and personal effects which at the death of the said deceased were in or upon the said premises; and whereas it is desirable to grant the prayer of said petition;

25 Therefore Her Majesty, by and with the advice and consent of the Legislative Assembly of the Province of Ontario, enacts as follows:—

1. The said trustees, or the trustees for the time being, of said last will and testament *in the preamble to this Act mentioned,* 30 shall be and are hereby authorized and empowered to sell and convey to the purchaser or purchasers thereof all and every part of the said lands and premises *in said preamble firstly mentioned and described* or any part thereof, at such times, in such parcels or as a whole, and on such terms and for such price as 35 they may deem fit and prudent. Trustees empowered to sell and convey lands.

2. The said trustees shall thereupon stand possessed of the moneys or securities received from such sale or sales as trustees, to invest the same and keep invested upon the like trusts 40 imposed by and with the like powers of appointment conferred by the said will, and the like powers of revocation and re-appointment also thereby conferred as to the corpus and income thereof respectively, so that the appointments, revocations and re-appointments be made in respect of income from such investments from time to time, in lieu and stead of the 45 use and enjoyment of the said lands and premises, and the corpus of the said fund be appointed as the said lands would or should have been under the said trusts: provided always that Trusts of proceeds of sale declared. the costs and expenses of obtaining this Act, the taxes paid by said trustees on said lands, the insurance premiums paid by Proviso 50 said trustees in respect of the buildings on said lands, or on account of said goods, and the costs of administering this amended trust be first paid out of the said trust fund, either out of principal or interest, as and when said trustees may direct; and provided further, that until any such appointment Proviso. 55 of income, and between the time of the revocation thereof and re-appointment, and so from time to time, the said income so accumulated shall be added to the said corpus or be included

and appointed by the next appointment of income as part thereof, as the said trustees for the time being shall declare in making any appointment.

Division of household goods authorized.

3. The said trustees or the trustees for the time being of said last will and testament shall be and are hereby authorized and empowered to divide, distribute and apportion amongst and between the said Thomas Mayne Daly, John Corry Wilson Daly, Thomas Mayne Daly the younger, and Peter Ferguson Daly *with their consent but not otherwise*, all the said household furniture and personal effects which at the death of the said deceased were in or upon the said premises or homestead *in said preamble firstly mentioned and described*, in such shares or proportions or other manner of division as to the said trustees or a majority of them shall seem meet.

Sale of household goods authorized.

4. In default of the said trustees acting upon the powers conferred by section three hereof, they are hereby authorized and empowered to sell and dispose of the said household furniture and personal effects in such manner as they deem fit, and upon doing so the balance of the proceeds of such sale, left after paying expenses, shall be added to the proceeds of the sale of the said real estate, and be held by the said trustees therewith upon the like trusts and with the like powers as to both corpus and income thereof, that the said proceeds of the said sales of said lands are held and to be held so that the same be treated as one fund.

Discretion of trustees.

5. It shall not be imperative upon the said trustees to sell either said goods or lands, notwithstanding anything herein contained.

Lease of lands authorized.

6. The said trustees or the trustees of said last will and testament for the time being are absolutely further empowered to lease said lands and premises or any part thereof until sold hereunder, for such term or terms and upon such terms as to payment of rent or for improvements of the premises as the said trustees may deem proper: provided always that any rent so received not required for or used in improvements or for payment of insurance or taxes or expenses of the management, or repairs, or to pay the costs and expenses of this Act, shall be held by the said trustees in the like manner and for the like trusts, and subject to the like powers as are above applied to the income to be derived from the proceeds of the sale of said lands.

**W**HEREAS Martha Wilkes, of the village of Yorkville, widow, Preamble.  
and Marcella Wilkes, of the city of Toronto, an unmarried woman, have by their petition represented that the late Robert Wilkes, in his lifetime of the city of Toronto, merchant, died on the sixteenth day of August, one thousand eight hundred and eighty, having first made his last will and testament duly executed and sufficient for all the purposes thereof, bearing date the thirty-first day of January, one thousand eight hundred and eighty, which is in the words and figures following, that is to say:—

“The last will and testament of Robert Wilkes, of the city of Toronto, merchant:

“*First.*—I, the said Robert Wilkes, devise all my real and the residue of my personal estate, after payment of debts and legacies, to my wife for life in trust for her own use and for the benefit of all my children, but I give her absolute power as to the application of the income and proceeds of the said property, real and personal, for the benefit of my said children during her life.

“*Second.*—I empower my said wife by her will to devise the said property to such trustee as she may name, in trust for my said children, in such shares and proportions as to her may seem meet, and in the event of her death without such a disposition by her will, I devise and bequeath the said property to my said children equally.

“*Third.*—I direct that if any of my said children shall die before the death of my wife, leaving issue surviving, that the child or children of such child shall take his, her or their mother's share, but in the event of there being no such issue surviving then such share or shares shall lapse and form part of my general estate.

“*Fourth.*—I direct that the buildings on my real property in the city of Toronto be kept well insured in sound companies.

“*Fifth.*—In the event of the destruction of the said buildings, I empower my wife or any succeeding trustee to erect new buildings upon the said lands, or to repair the old buildings if not wholly destroyed.

“*Sixth.*—I empower my wife or any succeeding trustee appointed by her to sell my homestead and the adjoining property on the north side of Bloor Street, in Yorkville, if to her or him it shall seem best so to do, and to invest the proceeds of the sale in the same way as if it were personal estate.

“*Seventh.*—I direct that out of the proceeds of life and accident policies any mortgage debts which I may owe be discharged and that out of my general personal estate all my debts of every kind be paid.

"*Eighth.*—I empower and recommend my executors to sell my business and the goods therein, as well as the good-will thereof, for the best price that can be got for the same, and either for cash or on credit, and partly by both ways if thought by them to be best, and to collect as speedily as possible such book debts as may be owing to me. 5

"*Ninth.*—Out of pure personal estate I bequeath unto the University of Victoria College one thousand dollars, and unto the Wesleyan Theological College at Montreal, one thousand dollars, should these amounts already promised not be paid by me to said institutions previously, and if this latter institution be not incorporated then I empower the President of the said body for the time being to receive the said legacy. 10

"*Tenth.*—I bequeath unto my mother one thousand dollars a year during her life, and the free use of any house she may occupy, if it be mine. 15

"*Eleventh.*—I bequeath unto my sister Mary Jane such sum as will, together with what shall be at her credit, make six thousand dollars.

"*Twelfth.*—I bequeath unto my sister Marcella such sum as will, together with what shall appear in my books at Toronto to her credit, make twelve thousand dollars. 20

"*Thirteenth.*—I bequeath to my sister Eliza, while she remains unmarried, the sum of one hundred dollars a year during the lifetime of my mother, but after my mother's death an annuity of three hundred dollars so long as she remains unmarried, and if she marry with the consent of my executors she shall be paid one thousand dollars in full of all claims under my will. 25

"*Fourteenth.*—I commend to the favourable consideration of my executors the care of my sister Margaret Stuart and her family should they need it, and in such case I recommend the annual payment to her of a sum sufficient to pay the rent of a suitable house for her in the event of her remaining unmarried. 30

"*Fifteenth.*—I charge the payment of the legacies in the clauses of this Will from ten to fourteen, both inclusive, upon my personal estate. 35

"*Sixteenth.*—I direct my executors to invest all the personal estate, and the proceeds of the real estate which my wife may not require for the use of herself and family, and the proceeds of all investments, in first mortgages of real estate (covering the fee simple in possession) situate anywhere in Canada, at moderate rates of interest, taking care that not more than half the cash value be advanced in any case. 40

"*Seventeenth.*—I empower my wife on the marriage of my daughters or any of them, to apportion to them an annuity of such sum as she may deem proper, out of the current income, to be held to her separate use as if she were a *femme sole*. 45

"*Eighteenth.*—I empower my wife, if she think fit, to hand over to my son twenty-five thousand dollars when he attains the age of twenty-five years, and on the final division of my estate my son is to be charged with this sum as a portion of my estate advanced to him without interest.

"*Nineteenth.*—I empower my wife, or in the event of her death the trustee to be named by my wife, to sell my real estate in the city of Toronto or elsewhere, when the youngest of my children comes of age, if in his or her judgment it be thought best so to do, and to dispose of the proceeds amongst my children as directed in this or my wife's will. 50

"*Twentieth*—I recommend my wife and children to devote at least one-tenth of their incomes to charitable and religious objects.

"*Twenty-first*.—I appoint my wife and my sister Marcella ex-  
5 cutors hereof.

"*Twenty-second*.—Should unfortunately any contention or dispute arise at any time between my heirs as to the disposition of my estate, I strongly recommend that such dispute be referred to peaceable arbitration under the advice of the solicitor of the estate, and not by any means to resort to legal proceedings by which so many estates have been squandered.

5 on the sixteenth day of August, one thousand eight hundred and eighty, having first made his last will and testament duly executed and sufficient for all the purposes thereof, bearing date the thirty-first day of January, one thousand eight hundred and eighty, which is in the words and figures following, that is  
10 to say:—

“The last will and testament of Robert Wilkes, of the city of Toronto, merchant:

“*First.*—I, the said Robert Wilkes, devise all my real and the residue of my personal estate, after payment of debts and  
15 legacies, to my wife for life in trust for her own use and for the benefit of all my children, but I give her absolute power as to the application of the income and proceeds of the said property, real and personal, for the benefit of my said children during her life.

“*Second.*—I empower my said wife by her will to devise the said property to such trustee as she may name, in trust for  
20 my said children, in such shares and proportions as to her may seem meet, and in the event of her death without such a disposition by her will, I devise and bequeath the said property  
25 to my said children equally.

“*Third.*—I direct that if any of my said children shall die before the death of my wife, leaving issue surviving, that the child or children of such child shall take his, her or their mother’s share, but in the event of there being no such issue surviving then such share or shares shall lapse and form part of  
30 my general estate.

“*Fourth.*—I direct that the buildings on my real property in the city of Toronto be kept well insured in sound companies.

“*Fifth.*—In the event of the destruction of the said buildings,  
35 I empower my wife or any succeeding trustee to erect new buildings upon the said lands, or to repair the old buildings if not wholly destroyed.

“*Sixth.*—I empower my wife or any succeeding trustee appointed by her to sell my homestead and the adjoining property on the north side of Bloor Street, in Yorkville, if to her  
40 or him it shall seem best so to do, and to invest the proceeds of the sale in the same way as if it were personal estate.

“*Seventh.*—I direct that out of the proceeds of life and accident policies any mortgage debts which I may owe be discharged and that out of my general personal estate all my debts of every kind be paid.

“*Eighth.*—I empower and recommend my executors to sell my business and the goods therein, as well as the good-will thereof, for the best price that can be got for the same, and either for cash or on credit, and partly by both ways if thought by them to be best, and to collect as speedily as possible such book debts as may be owing to me. 5

“*Ninth.*—Out of pure personal estate I bequeath unto the University of Victoria College one thousand dollars, and unto the Wesleyan Theological College at Montreal, one thousand dollars, should these amounts already promised not be paid by me to said institutions previously, and if this latter institution be not incorporated then I empower the President of the said body for the time being to receive the said legacy. 10

“*Tenth.*—I bequeath unto my mother one thousand dollars a year during her life, and the free use of any house she may occupy, if it be mine. 15

“*Eleventh.*—I bequeath unto my sister Mary Jane such sum as will, together with what shall be at her credit *in my books at Montreal*, make six thousand dollars.

“*Twelfth.*—I bequeath unto my sister Marcella such sum as will, together with what shall appear in my books at Toronto to her credit, make twelve thousand dollars. 20

“*Thirteenth.*—I bequeath to my sister Eliza, while she remains unmarried, the sum of one hundred dollars a year during the lifetime of my mother, but after my mother's death an annuity of three hundred dollars so long as she remains unmarried, and if she marry with the consent of my executors she shall be paid one thousand dollars in full of all claims under my will. 25

“*Fourteenth.*—I commend to the favourable consideration of my executors the care of my sister Margaret Stuart and her family should they need it, and in such case I recommend the annual payment to her of a sum sufficient to pay the rent of a suitable house for her in the event of her remaining unmarried. 30

“*Fifteenth.*—I charge the payment of the legacies in the clauses of this Will from ten to fourteen, both inclusive, upon my personal estate. 35

“*Sixteenth.*—I direct my executors to invest all the personal estate, and the proceeds of the real estate which my wife may not require for the use of herself and family, and the proceeds of all investments, in first mortgages of real estate (covering the fee simple in possession) situate anywhere in Canada, at moderate rates of interest, taking care that not more than half the cash value be advanced in any case. 40

“*Seventeenth.*—I empower my wife on the marriage of my daughters or any of them, to apportion to them an annuity of such sum as she may deem proper, out of the current income, to be held to her separate use as if she were a *femme sole*. 45

“*Eighteenth.*—I empower my wife, if she think fit, to hand over to my son twenty-five thousand dollars when he attains the age of twenty-five years, and on the final division of my estate my son is to be charged with this sum, as a portion of my estate advanced to him, without interest. 50

“*Nineteenth.*—I empower my wife, or in the event of her death the trustee to be named by my wife, to sell my real estate in the city of Toronto or elsewhere, when the youngest of my children comes of age, if in his or her judgment it be thought best so to do, and to dispose of the proceeds amongst my children as directed in this or my wife's will. 55

“*Twentieth*—I recommend my wife and children to devote at least one-tenth of their incomes to charitable and religious objects.

5 “*Twenty-first*.—I appoint my wife and my sister Marcella ex-  
ecutors hereof.

10 “*Twenty-second*.—Should unfortunately any contention or  
dispute arise at any time between my heirs as to the disposi-  
tion of my estate, I strongly recommend that such dispute be  
referred to peaceable arbitration under the advice of the solici-  
tor of the estate, and not by any means to resort to legal pro-  
ceedings by which so many estates have been squandered.

45 and assets, of the said the London Gas Light Company, and to

pay therefor by issuing and allotting fully or partly paid up stock in the said company at par or at such rate of discount as may be agreed on, or for the said two companies to unite and form one company; and whereas it is expedient to grant the prayer of the said petition ; 5

An Act respecting certain aid to the London Junction  
Railway Company.

**W**HEREAS the municipal council of the corporation of Preamble.  
the city of London, did, under the authority of the  
Railway Act of Ontario, on the twenty-seventh day of Nov-  
ember, one thousand eight hundred and eighty-two, pass a  
5 by-law giving its consent to the carrying of the line of the  
London Junction railway, along Colborne, Bathurst and East  
Bathurst streets, in the said city of London; and whereas  
doubts exist as to the legal liability of the corporation  
of the city of London to compensate the owners of land  
10 fronting on those parts of the said streets, along which the  
said railway is to be carried as aforesaid, for the injury which  
may be done to it by the exercise of the powers hereinbefore  
mentioned; and the said by law was passed upon the under-  
standing that application should be made for the passing of an  
15 Act to authorize the said corporation to pay such compensation;  
and whereas, objections have been made to the carrying of  
the said railway, along the said streets, and it having been  
suggested that the said company would forego the rights granted  
to it by the said by-law if a bonus of thirty thousand dollars  
20 were granted to it, to enable it to purchase its right of way,  
through the said city of London, a by-law was passed by the  
said municipal council on the twenty-sixth day of December,  
one thousand eight hundred and eighty-two, authorizing the  
said municipal council to apply for the passing of an Act, to  
25 authorize the said corporation to grant a bonus of thirty  
thousand dollars to the said company upon its surrendering  
the rights granted to it by the said by-law, and without sub-  
mitting the by-law for granting such aid to the electors  
qualified to vote thereon for their assent thereto pursuant to the  
30 provisions of the Municipal Act, and the said by-law so pass-  
ed as last aforesaid has received the assent of a very large  
majority of the electors qualified to vote on a by-law for grant-  
ing such bonus, and of far more than two-fifths of such qualified  
electors; and whereas the said municipal council has presented  
35 its petition setting forth the foregoing facts and praying for the  
passing of the necessary Act to enable it to grant such bonus,  
if the said company shall agree to surrender the rights granted  
to it by the said first mentioned by-law, and failing such  
agreement to enable the said municipal council to compensate  
40 the property owners aforesaid for the injury which may be  
done to their respective lands by the carrying of the said rail-  
way along the said streets, and whereas it is expedient to grant  
the prayer of the said petition;

Therefore Her Majesty, by and with the advice and consent  
45 of the Legislative Assembly of the Province of Ontario, enacts  
as follows:—

- City of London authorized to grant a bonus of \$30,000 to London Junction railway.
1. It shall be lawful for the corporation of the city of London, notwithstanding the provisions of section seven of the Act passed in the thirty-fifth year of Her Majesty's reign, intituled "An Act respecting the debt of the city of London," or any other Act or law, to aid the London Junction Railway Company, by granting to it a bonus not exceeding thirty thousand dollars, and for the said municipal council to pass a by-law for granting such aid, but such aid shall be granted only upon the said company surrendering the rights granted to it by the by-law first mentioned in the preamble to this Act. 5
- Assent of electors to by-law not required.
2. It shall not be necessary to submit the said by-law for the assent of the electors according to the provisions of the Municipal Act and the amendments thereto.
- By-law may provide for issue of debentures.
3. The said by-law may provide for the issue of debentures for the amount of the aid which may be granted as aforesaid, and such debentures may be made payable at such period not exceeding twenty years from the date thereof as may be deemed expedient, and may bear interest at such rate not exceeding six per centum per annum as the said municipal council shall think fit, and the interest may be made payable yearly or half yearly and coupons for the payment thereof may be attached to the said debentures. 15 20
- Debentures may be made payable in any currency, and at any place.
4. The said debentures and the interest thereof may be made payable in sterling money of Great Britain or currency of any country, and may be made payable in Ontario, Great Britain or elsewhere. 25
- If council cannot agree with company for the surrender of right to use streets, compensation may be made to owners of land injuriously affected.
5. In case the said municipal council shall be unable to agree with the said company for the surrender of the rights granted to it as hereinbefore mentioned, it shall be lawful for the said municipal council to pass a by-law providing for the payment of compensation to the owners of the land fronting on those parts of the said streets along which the said railway may be carried, under the provisions of the by-law for that purpose hereinbefore mentioned, for the injury which shall be done to their respective lands by the carrying of the said railway along the said streets, and for borrowing on the credit of the said corporation the moneys required for that purpose, and for the issue of debentures therefor payable at the times with the interest and in the manner mentioned in the third and fourth sections of this Act. 30 35 40
- Assent of electors to by-law not required.
6. It shall not be necessary to submit the said last mentioned by-law for the assent of the electors according to the provisions of the Municipal Act and the amendments thereto, and the same may be passed and the debt thereby to be created incurred, notwithstanding the provisions of the Act mentioned, in the first section of this Act, or any other Act or law. 45
- Compensation to be determined by arbitration.
7. The amount of the compensation to be paid as aforesaid shall be determined by arbitration, under the provisions of the Municipal Act and the amendments thereto, except that there shall be but one arbitrator appointed on behalf of all the property owners and one on behalf of the said corporation, and in case the majority of the property owners do not agree upon 50

one arbitrator within one month after the publication in a newspaper, published in the said city of London, of a notice requiring them so to do, and notify the said corporation of the arbitrator appointed by them, the judge of the county court of the county of Middlesex, may, upon the application of any of the property owners or of the said corporation, appoint an arbitrator on behalf of the property owners.

8. A notice in the form following or to the like effect shall be a sufficient appointment of an arbitrator on behalf of the property owners if the same shall be signed by a majority of them. Notice of appointment of arbitrator by property owners.

An Act respecting By-law number two hundred and fifty-nine of the Corporation of the County of Oxford.

WHEREAS by a certain by-law of the municipality of the Preamble.

Therefore Her Majesty, by and with the advice and consent of the Legislative Assembly of the Province of Ontario, enacts as follows:—

1. The said by-law numbered two hundred and fifty-nine of the municipal council of the corporation of the county of Oxford, set forth in Schedule A hereto, is hereby confirmed and declared legal and valid, and binding upon the corporation of the county of Oxford and the ratepayers thereof. By-law confirmed.

Whereas the provisions of by-law number one hundred and seventy-five for the raising of a sinking fund of ten thousand dollars (\$10,000) per year for the payment of debentures issued under the said by-law, have been disregarded and not complied with;

And whereas no rates other than sufficient to pay the interest on the said debentures have been levied and collected from the municipalities interested during the several years from one thousand eight hundred and seventy-four to one thousand eight hundred and eighty-two inclusive;

And whereas it is expedient and necessary to obey and carry out the provisions of the said by-law number one hundred and seventy-five, and to provide for and authorize the raising of the sum of ninety thousand dollars (\$90,000) to make up the sinking fund for the years one thousand eight hundred and seventy-four to one thousand eight hundred and eighty-two inclusive, for the payment of the debentures issued under the said by-law;

And whereas it is just and in accordance with the said by-law number one hundred and seventy-five, that the said amount of ninety thousand dollars shall be levied and collected from the municipalities interested, proportionately upon the equalized assessments of the said municipalities for the several years from one thousand eight hundred and seventy-four to one thousand eight hundred and eighty-two inclusive;

And whereas it is not expedient or necessary to levy and collect from said municipalities interested, the whole ninety thousand dollars (\$90,000), in one year, but to divide the said ninety thousand dollars (\$90,000), into eleven parts, of eight thousand one hundred and eighty-two dollars (\$8,182) each, to be levied and collected from the said municipalities in the years from one thousand eight hundred and eighty three to one thousand eight hundred and ninety-three inclusive:

Be it therefore enacted by the municipal council of the county of Oxford, that the said sum of ninety thousand dollars (\$90,000) to make up the sinking fund for the years one thousand eight hundred and seventy-four to one thousand eight hundred and eighty-two inclusive, for the payment of the debentures issued under by-law number one hundred and seventy-five, shall be raised, levied and collected from the several municipalities interested proportionately based upon the equalized assessments of the several municipalities for the years one thousand eight hundred and seventy-four to one thousand eight hundred and eighty-two inclusive:

And be it further enacted that the said sum of ninety thousand dollars (\$90,000) be divided into eleven equal parts, of eight thousand one hundred and eighty-two dollars (\$8,182) each, to be levied and collected annually from the municipalities interested, in addition to the further sum of ten thousand dollars (\$10,000), based upon the equalized assessments of the years one thousand eight hundred and eighty-three to one thousand eight hundred and ninety-three inclusive, in the years one thousand eight hundred and eighty-three to one thousand eight hundred and ninety-three inclusive:

And be it further enacted that the said sum of eight thousand one hundred and eighty-two dollars (\$8,182) as apportioned to the several municipalities in the schedule hereto annexed, and which schedule shall form part of this by-law,

shall be levied and collected, in addition to their respective shares of the said further sum of ten thousand dollars (\$10,000), and paid over by the treasurers of the several municipalities therein named to the county treasurer, on or before the fourteenth day of December, in each of the years from one thousand eight hundred and eighty-three to one thousand eight hundred and ninety-three both inclusive:

And be it further enacted that the interest, as it accrues upon the deposited principal, shall be annually distributed among the several municipalities grouped under the said by-law numbered one hundred and seventy-five, in proportion to their several annual equalized assessments.

In case two-thirds of the members of the council of any incorporated village or town pass a resolution affirming the expediency of the annexation of such village or town to an adjacent village, town or city, and the municipal council of such last-mentioned village, town or city, pass a similar resolution, by a like vote, the Lieutenant-Governor in Council may, by proclamation, annex one municipality to the other, upon such terms as may have been agreed upon by the councils, or as may have been determined by arbitration, in case the councils resolve to have the terms settled by arbitration.

Annexation of villages or towns to adjacent villages, towns or cities by proclamation.

(2) Subject to any variations made by the terms agreed upon or settled in manner aforesaid, the municipality annexed to the other shall be subject to the provisions of *The Municipal Act* having regard to the annexation of territory to a village, town or city.

(3) In case the population admits thereof, the Lieutenant-Governor may, by the same proclamation, erect the village or town to which the addition is made, into a town or city, by a name to be given thereto in the proclamation, and may divide or re-divide the city, town or village into wards.

(4) The Lieutenant-Governor may act upon a by-law passed by a vote of the electors, in lieu of the resolution of the council of either municipality.

2. The following is hereby inserted as section 15a of *The Municipal Act*:

15a. In case the council of an incorporated village pass a resolution by a two-thirds vote of the members thereof, declaring that it is expedient that such village should become unincorporated, and such resolution is approved by the electors in the manner required for by-laws creating debts; and in case the council of an adjoining municipality, or of two or more of the adjoining municipalities, pass a resolution or resolutions approving of the territory comprised in the said village being annexed to such municipality or municipalities, the Lieutenant-Governor in Council may issue a proclamation annulling the incorporation of the said village, and annexing the territory included therein to such municipality or municipalities.

An incorporated village may become unincorporated and may be annexed to an adjoining municipality.

(2) If the said territory is annexed to one municipality, such municipality shall be liable for the debts of the village, and

shall be entitled to its assets, but if such territory is annexed to two or more municipalities, the councils of such municipalities shall, before the proclamation issues, agree between themselves, or determine by arbitration, as to the proportion of the debt of the village to be borne by them respectively, and as to the assets, or proportion of the assets of the said village, which such municipalities shall respectively receive. 5

(3) If the award or agreement instead of stating the proportion of the debt to be borne as aforesaid, states the shares so to be borne in sums of money, then the fraction which is formed by taking the sum named as the amount to be borne by any municipality as the numerator, and the aggregate of the sums named as the amounts to be borne by the said municipalities as the denominator, shall be the proportion of the entire debt to be borne by such municipality, whether or not such debt is accurately stated in the agreement or award. 10 15

(4) It may be part of the arrangement between the said village and the municipality or municipalities that the village shall for a time be charged with a special rate, or that it shall be relieved of any rate, or part of a rate, imposed upon the rest of the municipality with which the village, or part of it, is to be united. 20

(5) In case the municipalities proposing to receive parts of the territory comprised in the village are in different counties, the provisions of this section may be acted upon with the assent (declared by resolution) of the councils, and unless such councils have previously agreed, or shall within three months of the issue of a proclamation under this section agree, as to the proportions in which the share of the county debt, which is referable to such village, shall be borne by the several counties, the same shall be determined by arbitration under this Act. 25 30

(6) Where part of the said village is to be attached to a city or town separated from the county for municipal purposes, such separated city or town shall be deemed a county within the meaning of the next preceding sub-section. 35

R. S. O. c. 174,  
ss. 350, 351 re-  
pealed.

When the rate  
imposed by a  
by-law may be  
reduced.

3. Sections 350 and 351 of *The Municipal Act* are hereby repealed, and the following are substituted therefor:

350. In case in any year, on account of a sum being on hand from any previous year, or a sum being on hand which has been derived from the work, or from the investment of the sinking fund, or on account of the increased value of property liable to the assessment, it is found to be unnecessary to levy the full rate imposed by the by-law, in order to raise the instalment of the sinking fund and interest required to be raised for such year, the council may pass a by-law reducing the rate for that year, so that no more may be collected than the amount required. 40 45

(2) No such by-law shall be passed unless, having regard to the time the debentures have to run, a proper proportion of sinking fund and interest has been levied, according to the intention of the original by-law. 50

By-law to be  
approved by  
Lieutenant-  
Governor.

351. No by-law passed under the preceding section shall be valid unless, after it is passed, it is approved by the Lieu-

tenant-Governor in Council ; and the facts which authorize the passing of such by-law shall, on its submission for approval, be verified in the manner provided by section 283 of this Act.

4. *The Municipal Act* is hereby amended by inserting 5 immediately after section 543 the following as Section 543a :

543a. Where the repairs required to be made under either of the two last preceding sections are so extensive that the municipal council does not deem it expedient to levy the cost thereof in one year, the said council may pass a by-law to 10 borrow upon the debentures of the municipality the funds necessary for the work, and shall assess and levy upon the property benefited a special rate sufficient for the payment of the principal and interest of the debentures : the by-law shall not require the assent of the electors.

Power to borrow funds for repairs to drainage works.

15 (2) The provisions of *The Ontario Municipal Drainage Aid Act* shall apply to any debentures issued under the authority of any such by-law, if such by-law, before it was finally passed, was published or notified in the manner provided by section 531 of the said Act as amended by the Act passed in the forty- 20 second year of Her Majesty's reign, chaptered thirty-one, and by the Act passed in the forty-fourth year of Her Majesty's reign, chaptered twenty-four, or, after it was passed, was promulgated in the manner authorized by section 319 of the said Municipal Act.

An incorporated village may become unincorporated and may be annexed to an adjoining municipality.

(3) If the award or agreement instead of stating the proportion of the debt to be borne as aforesaid, states the shares so to be borne in sums of money, then the fraction which is formed by taking the sum named as the amount to be borne by any municipality as the numerator, and the aggregate of the sums named as the amounts to be borne by the said municipalities as the denominator, shall be the proportion of the entire debt to be borne by such municipality, whether or not such debt is accurately stated in the agreement or award.

Annexation of villages or towns to adjacent villages, towns or cities by proclamation.

2. In case the members of the council of any incorporated village or town pass a resolution affirming the expediency of the annexation of such village or town to an adjacent village, town or city, and the municipal council of such last-mentioned village, town or city, pass a similar resolution, and in case the electors of such first-mentioned village or town adopt a by-law to be submitted to them approving of such annexation, the Lieutenant-Governor in Council may, by proclamation, annex one municipality to the other, upon such terms as may have been agreed upon by the councils, or as may have been determined by arbitration, in case the councils resolve to have the terms settled by arbitration. 15 20 25

(2) Subject to any variations made by the terms agreed upon or settled in manner aforesaid, the municipality annexed to the other shall be subject to the provisions of *The Municipal Act* having regard to the annexation of territory to a village, town or city. 30

(3) In case the population admits thereof, the Lieutenant-Governor may, by the same proclamation, erect the village or town to which the addition is made, into a town or city, by a name to be given thereto in the proclamation, and may divide or re-divide the city, town or village into wards. 35

 5 rejected any ballot papers at any such election, the said county judge may appoint a time to re-count the votes, and shall give notice in writing to the candidates of the time and place at which he will proceed to re-count the same.

(4) At the time of the application for a re-count, the appli-

When the rate imposed by a by-law may be reduced.

**20** (2) No such by-law shall be passed unless, having regard to the time the debentures have to run, a proper proportion of sinking fund and interest has been levied, according to the intention of the original by-law.

**25** **351.** No by-law passed under the preceding section shall be valid unless, after it is passed, it is approved by the Lieutenant-Governor in Council; and the facts which authorize the passing of such by-law shall, on its submission for approval, be verified in the manner provided by section 283 of this Act.

45 V. c. 26, s.

**13.** Section seventeen of the Act passed in the forty-fifth year of Her Majesty's reign, chaptered twenty-six, is hereby amended by inserting, after the word "works," in the fourth line of said section, the words "or of the Municipal Act and amendments thereto."

5

**14.** The following is hereby inserted as sub-sections two, three and four of section five hundred and forty of the said Act:

(2) When it is proposed to continue the deepening or drainage from the municipality in which the same is to be commenced into another municipality situate within another county, and when through misapprehension or mistake the council served with the report, plans and specifications of the engineer or surveyor, omits to appeal therefrom within twenty days, or has, when service thereof has been made since the passing of the twenty-sixth chapter of the Acts passed in the forty-fifth year of Her Majesty's reign, through misapprehension or mistake omitted to appeal therefrom within the said time, the judge of the county in which the municipality so served as aforesaid is situated may, upon application at any time before the drainage works have been already commenced, or the contract let for the same, or the debentures have been actually issued under the said by-law, after the said twenty days have elapsed, by order grant permission to appeal upon such terms and conditions as he deems just and reasonable, within a time to be limited by him in the order; or the other council or councils interested may by resolution waive the lapse of the said time, and in either of such cases the proceedings for appeal shall be the same as would have been required if the appeal had been gone on with in the proper time.

(3) The summons to shew cause why an appeal should not be allowed shall not be returnable in less than seven days from the service thereof, and the council or councils shall have power to amend any by-law or by-laws which may have been passed as shall become necessary or proper, by reason of the appeal or the result thereof.

(4) Where the omission to appeal has occurred as aforesaid since the passing of the said twenty-sixth chapter in the forty fifth year of Her Majesty's reign, the municipality served shall be entitled to appeal within sixty days from the passing of this Act; provided such contract has not been let, or work commenced, or debentures issued, as aforesaid, at the time of the passing hereof.

further delay, have the same removed at the cost of the said party or parties, and in case said obstructions have been caused by the negligence of any party or parties assessed upon lands so assessed for the construction of such ditch, drain, creek, or water-course, or between whose lands such ditch, drain, creek, or water-course is situate, by allowing, where such ditch, drain, creek, or water-course passes through land occupied and enclosed by fence, farm stock owned by him or under his control, to trample down the sides of such ditch, drain, creek, or water-course, so that the same has become obstructed, the party or parties causing or permitting the obstruction to be made as aforesaid shall, upon notification by the council of the municipality, remove such obstructions, and if not so removed within the time specified, the council shall proceed to remove the same as above provided.

(2) If such cost is not paid by the party or parties to the person performing the same when the work is completed, the council shall pay the amount to the party performing the work; and the clerk of the municipality shall place such amount upon the Collector's Roll against the party or parties, as the case may be, with ten per cent. added thereto, and the same shall be collected like other taxes; subject, however, to an appeal by the said party or parties, in respect of the cost of the work, to the judge of the county court of the county in which the lands are situate, in the same manner as is provided by section twelve of chapter one hundred and ninety-nine of the Revised Statutes of Ontario.

**16.** The said Act is hereby amended by inserting immediately after section 543 the following as Section 543a:

543a. Where the repairs required to be made under either of the two last preceding sections are so extensive that the municipal council does not deem it expedient to levy the cost thereof in one year, the said council may pass a by-law to borrow upon the debentures of the municipality the funds necessary for the work, and shall assess and levy upon the property benefited a special rate sufficient for the payment of the principal and interest of the debentures: the by-law shall not require the assent of the electors.

Power to borrow funds for repairs to drainage works.

(2) The provisions of *The Ontario Municipal Drainage Aid Act* shall apply to any debentures issued under the authority of any such by-law, if such by-law, before it was finally passed, was published or notified in the manner provided by section 531 of the said Act as amended by the Act passed in the forty-second year of Her Majesty's reign, chaptered thirty-one, and by the Act passed in the forty-fourth year of Her Majesty's reign, chaptered twenty-four, or, after it was passed, was promulgated in the manner authorized by section 319 of the said Municipal Act.

**17.** Where the lands on either side of a street, lane, or alley in a city, town, or incorporated village, in the opinion of the council, are from any cause unfit for building purposes, and the council deem it inequitable to assess the same for local improvements at as high a rate as the building lots fronting on said street, lane or alley, the council shall in all such cases determine in what proportion the cost of any such

How proportion of cost of local improvements is to be determined in special cases.

improvement shall be borne by the lands on each side of said street, lane, or alley, respectively.

Provision respecting cost of bridges and culverts.

18. Wherever in places wholly within a city, town or incorporated village, it shall, in the opinion of the council, be deemed expedient and necessary to construct or repair bridges or culverts on any street, lane, or alley, for the more immediate convenience or benefit of any particular locality, and the council is of opinion that from any cause it is inequitable to charge the whole cost of such construction or repairs on the lands fronting thereon, the council shall determine what lands are benefited by such construction or repairs, and the proportion in which the cost thereof shall be assessed against the lands so benefited. The assessments made under this and the preceding section shall be subject to an appeal to the judge of the county court in the same manner and on the same terms, as nearly as may be, as an appeal from the court of revision, in the case of an ordinary assessment.

Council may permit owners to build or improve sidewalks in front of their lands.

19. The council may permit the owner or owners to build or improve the sidewalk in front of his or their lands, and any street, lane or alley within a city, town, or incorporated village, under the direction of the council or an officer thereof appointed for that purpose, and according to such plans and regulations, as the council may prescribe, in which case the owners or occupants of such lands shall be exempt from all taxes for improvements of a like nature so long as he or they shall keep the same in repair to the satisfaction of the council. (See R. S. O., c. 174 s. 551 (4).)

20. Sub-section two of section 555 of the said Act is hereby amended by inserting in the third line thereof, after the word "watered," the words "swept and lighted," and after the word "watering," in the fifth line thereof, the words "sweeping or lighting."

21. The said Act is amended by inserting the following as section 552a:

Power to borrow funds for local improvements.

552a. For the purpose of enabling councils to avoid the necessity of making supplementary assessments, or refunding in case of over assessments, and of ascertaining the exact cost of any work or improvement, done or constructed, as a local improvement under the provisions of this Act, they may and they are hereby authorized and empowered to make agreements with any bank or banks, or any person or body corporate for temporary advances and loans until the completion of the work or improvement, for meeting the cost thereof, and they may and they are hereby authorized and empowered in their option to make the special assessments for the cost thereof, after the work or improvement, as the case may be, shall have been completed, and to pass the necessary by-law authorizing the issue of debentures to repay the amount of the temporary loan or advance.

Time for repayment of loans.

(2) Every by-law for borrowing money shall provide for the repayment of the loan and the maturing of debentures to be issued pursuant to such by-law, within the probable life time of the work or improvement for which such debt has been incurred, as certified by the engineer or other proper officer to be appointed by the council for that purpose.

(3) If in any case any debt has been incurred by the municipality for any work or improvement done or constructed under the provisions of this Act, and after the incurring of the said debt the special assessment for such work or improvement or the by-law providing for borrowing money therefor, be set aside or quashed, either wholly or in part, on the ground of any irregularity or illegality in the making of such assessment or passing such by-law, it shall be lawful for the said council, and they are hereby authorized to cause a new assessment or assessments to be made, and to pass a new by-law or by-laws so often as may be necessary to provide funds for the payment of the debt so incurred for such work or improvement: Provided always that nothing herein contained shall be construed as authorizing any assessment to be made or work or improvement to be undertaken, except the same be initiated in some one of the three methods by law provided, namely:

Where special assessments are irregular, new assessments may be made.

(a) Either on the report of the engineer or other sanitary officer and of a committee of the council recommending the proposed work or improvement for sanitary or drainage purposes adopted by the council; or

(b) On a petition of the owners of the real property benefited, sufficiently signed; or

(c) After due notice as above provided of the proposed assessment, and no petition of the owners of the real property benefited against the proposed assessment, sufficiently signed, being presented to the council within the time limited therefor.

(4) Any real property specially assessed by any council for any local improvement or work under this Act, and real property where such improvement or work has been done with moneys provided by the owners of such real property, and real property the owners of which have constructed their own works and improvements which would otherwise have been constructed by the municipality as local improvements, shall be exempted by the council from any general rate or assessment for the like purpose, except the cost of works and improvements at the intersection of streets, and except such portion of the general rate as may be imposed to meet the cost of works and improvements opposite real property which is exempt from such special assessments and the general rate which may be imposed to meet the cost of maintenance and repairs on works and improvements constructed under local improvement by-laws.

Property charged with local improvements to be exempt from general rates for same purposes.

**23.** The Council shall provide an equitable mode of assessing for local improvements, works and services, corner lots, triangular or other irregular shaped pieces of land situate at the intersections or junctions of streets, having due regard to the situation, value and superficial area of such lots, as compared with adjoining lots and pieces of land assessable for such improvements, works and services; the said matters to be subject to appeal to the County Court Judge as already provided.

**24.** Section 14 of the Act passed in the forty-third year of Her Majesty's reign, chaptered 27, is hereby amended by adding thereto the following as a sub-section:

43 V. c. 27, s. 14, amended.

Provisions as  
to "Local  
Improvement  
Debentures."

## BILL.

An Act to amend the Municipal Act.

First Reading, 18th January, 1883.

Mr. HARDY.

TORONTO :

PRINTED BY C. BLACKETT ROBINSON.

## An Act to amend the Municipal Act.

HER MAJESTY, by and with the advice and consent of the Legislative Assembly of the Province of Ontario, enacts as follows:—

1. This Act may be cited as “The Municipal Amendment Act of 1883.” Short title.

2. The Revised Statute respecting Municipal Institutions, chapter 174, is hereby amended by inserting the following as Section 15a:

15a. In case the council of an incorporated village pass a resolution by a two-thirds vote of the members thereof, declaring that it is expedient that such village should become unincorporated, and such resolution is approved by the electors in the manner required for by-laws creating debts; and in case the council of an adjoining municipality, or of two or more of the adjoining municipalities, pass a resolution or resolutions approving of the territory comprised in the said village being annexed to such municipality or municipalities, the Lieutenant-Governor in Council may issue a proclamation annulling the incorporation of the said village, and annexing the territory included therein to such municipality or municipalities.

An incorporated village may become unincorporated and may be annexed to an adjoining municipality.

(2) If the said territory is annexed to one municipality, such municipality shall be liable for the debts of the village, and shall be entitled to its assets, but if such territory is annexed to two or more municipalities, the councils of such municipalities shall, before the proclamation issues, agree between themselves, or determine by arbitration, as to the proportion of the debt of the village to be borne by them respectively, and as to the assets, or proportion of the assets of the said village, which such municipalities shall respectively receive, and such municipalities shall respectively be liable for the proportion of indebtedness, as determined by the agreement or award.

(3) If the award or agreement instead of stating the proportion of the debt to be borne as aforesaid, states the shares so to be borne in sums of money, then the fraction which is formed by taking the sum named as the amount to be borne by any municipality as the numerator, and the aggregate of the sums named as the amounts to be borne by the said municipalities as the denominator, shall be the proportion of the entire debt to be borne by such municipality, whether or not such debt is accurately stated in the agreement or award.

(4) It may be part of the arrangement between the said village and the municipality or municipalities that the village

shall for a time be charged with a special rate, or that it shall be relieved of any rate, or part of a rate, imposed upon the rest of the municipality with which the village, or part of it, is to be united.

(5) In case the municipalities proposing to receive parts of the territory comprised in the village are in different counties, the provisions of this section may be acted upon with the assent (declared by resolution) of the councils, and unless such councils have previously agreed, or shall within three months of the issue of a proclamation under this section agree, as to the proportions in which the share of the county debt, which is referable to such village, shall be borne by the several counties, the same shall be determined by arbitration under this Act.

(6) Where part of the said village is to be attached to a city or town separated from the county for municipal purposes, such separated city or town shall be deemed a county within the meaning of the next preceding sub-section.

**Annexation of villages or towns to adjacent villages, towns or cities by proclamation.**

**3.** In case the members of the council of any incorporated village or town pass a resolution affirming the expediency of the annexation of such village or town to an adjacent village, town or city, and the municipal council of such last-mentioned village, town or city, pass a similar resolution, and in case the electors of such first-mentioned village or town adopt a by-law to be submitted to them approving of such annexation, the Lieutenant-Governor in Council may, by proclamation, annex one municipality to the other, upon such terms as may have been agreed upon by the councils, or as may have been determined by arbitration, in case the councils resolve to have the terms settled by arbitration.

(2) Subject to any variations made by the terms agreed upon or settled in manner aforesaid, the municipality annexed to the other shall be subject to the provisions of "*The Municipal Act*" having regard to the annexation of territory to a village, town or city.

(3) In case the population admits thereof, the Lieutenant-Governor may, by the same proclamation, erect the village or town to which the addition is made, into a town or city, by a name to be given thereto in the proclamation, and may divide or re-divide the city, town or village into wards.

**Deputy returning officer refusing, etc., to initial ballot paper.**

**4.** Every Deputy Returning Officer refusing, or wilfully omitting to sign his name or initials upon the back of the ballot paper, as provided for by sub-section six of section one hundred and thirty-nine of "*The Municipal Act*," shall forfeit to any person aggrieved by such refusal, or omission, the sum of ten dollars, in respect of every ballot paper deposited at his polling subdivision, upon which the said Deputy Returning Officer has not signed his name or initials as aforesaid; and the same may be recovered in the manner provided for the recovery of penalties by section two hundred and seven of the said Act.

**R. S. O. c. 174, sec. 158, amended.**

**5.** Section 158 of the said Act is amended by adding thereto the following sub-sections :

(3) In case it is made to appear, on the affidavit of any credible person, to the county judge of the county in which the municipality is situated, at any time within fourteen days from the time the ballot papers are received by the clerk of the municipality, that any deputy returning officer at any election in such municipality for mayor, alderman, reeve, deputy-reeve, councillor, or water commissioner, in counting the votes has improperly counted or rejected any ballot papers at any such election, the said county judge may appoint a time to re-count the votes, and shall give notice in writing to the candidates of the time and place at which he will proceed to re-count the same. Recount of votes by the county judge.

(4) At the time of the application for a re-count, the applicant shall deposit with the clerk of the county court the sum of twenty-five dollars as security for the payment of costs, charges and expenses that may become payable by the applicant, and the said sum shall not be paid out by the clerk without the order of the judge. Deposit by applicant.

(5) The county judge, the clerk of the municipality with the ballot boxes, and each candidate and his agent appointed to attend such re-count of votes, and no other person except with the sanction of the county judge shall be present at such re-count of the votes. Who may be present on re-count.

(6) At the time and place appointed the said county judge shall proceed to re-count all the votes or ballot papers received by the said clerk of the municipality, and shall in the presence of the parties aforesaid, if they attend, or in the presence of such of them as do attend, open the sealed packets containing (a) the used ballot papers which have not been objected to and have been counted; (b) the ballot papers which have been objected to, but which have been counted by the deputy returning officer; (c) the rejected ballot papers; (d) the spoiled ballot papers; (e) the unused ballot papers, and in re-counting the said votes care shall be taken that the mode in which any particular voter has voted shall not be discovered. Opening of packets.

(7) The county judge shall, as far as practicable, proceed continuously with such re-count of the votes, allowing only time for refreshment, excluding only Sundays and, on other days (except so far as he and the parties aforesaid agree), the hours between six o'clock in the evening and nine on the succeeding morning. During the excluded time the said county judge shall place the ballot papers and other documents relating to the election under his own seal, and the seals of such other of the parties as desire to affix their seals and shall otherwise take precautions for the security of such papers and documents. The recount to be a continuous proceeding.

(8) The county judge shall proceed to re-count the vote as follows: Procedure on recount.

1. He shall examine the ballot papers.

2. but any ballot paper on which votes are given for a greater number of candidates for any office than the voter is entitled to vote for, shall be void as regards all the candidates for such office, but shall be good as regards the votes for any other offices in respect to which the voter has not voted for more candidates than he is entitled to vote for.

3. The county judge shall take a note of any objection made by a candidate or by his agent to any ballot paper found in the ballot box, and shall decide any question arising out of the objection, and the decision of the county judge shall be final.

4. 5. Upon the completion of such re-count, or as soon as he has thus ascertained the result of the poll, the said county judge shall seal up all the said ballot papers in separate packets, and shall forthwith certify the result to the clerk of the municipality, who shall then declare to be elected the candidate having the highest number of votes ; and in case of an equality of votes, the clerk of the municipality shall have the casting vote as provided in section 152 of this Act.

6. Nothing in the preceding section contained shall destroy or prevent any remedy which any person or persons may now have under or by *quo warranto* or otherwise.

Costs of application.

7. All costs, charges and expenses of, and incidental to an application for a re-count and to the proceedings consequent thereon shall be defrayed by the parties to the application in such manner and in such proportion as the Judge may determine, regard being had to the disallowance of any costs, charges or expenses which may in the opinion of the Judge have been caused by vexatious conduct, unfounded allegations, or unfounded objections on the part either of the applicant or the respondent, and regard being had to the discouragement of any needless expense by throwing the burden of defraying the same on the parties by whom it has been caused, whether such parties are or are not on the whole successful.

Taxation of costs.

(2) The costs may be taxed in the same manner, and according to the same principles as costs are taxed between solicitor and client in the County Court.

Recovery of costs.

(3) The payment of any costs ordered to be paid by the Judge may be enforced by an execution against goods and

chattels, to be issued from any County Court, upon filing therein the order of the Judge and a certificate shewing the amount at which such costs were taxed and the non-payment thereof.

8. Where the assent of the electors, or of ratepayers, or any proportion of them, is necessary to the validity of a by-law, the Clerk or other officer shall not be entitled to give a casting vote. Clerk not to have casting vote as to certain by-laws.

Time within which applications to quash by-laws are to be made.

10. Sections 350 and 351 of the said Act are hereby repealed, and the following are substituted therefor: R. S. O. c. 174, ss. 350, 351 repealed.

350. In case in any year, on account of a sum being on hand from any previous year, or a sum being on hand which has been derived from the work, or from the investment of the sinking fund, or on account of the increased value of property liable to the assessment, it is found to be unnecessary to levy the full rate imposed by the by-law, in order to raise the instalment of the sinking fund and interest required to be raised for such year, the council may pass a by-law reducing the rate for that year, so that no more may be collected than the amount required. When the rate imposed by a by-law may be reduced.

(2) No such by-law shall be passed unless, having regard to the time the debentures have to run, a proper proportion of sinking fund and interest has been levied, according to the intention of the original by-law.

351. No by-law passed under the preceding section shall be valid unless, after it is passed, it is approved by the Lieutenant-Governor in Council; and the facts which authorize the passing of such by-law shall, on its submission for approval, be verified in the manner provided by section 283 of this Act. By-law to be approved by Lieutenant-Governor.

11. The first six lines of section 532 of the said Act are hereby repealed, and the following substituted in lieu thereof: R.S.O. c. 174, s. 532, repealed in part.

532. In case no such intention to make application to quash a by-law is served within the time limited for that purpose in the preceding section, or if such notice is served, then in case such application is not made or is unsuccessful the by-law shall, notwithstanding any want of substance or form either in the by-law itself or in the time and manner of passing the same, be a valid by-law.

(2) Where such application is made and is successful in part so much of the by-law as is not quashed upon such application shall be valid, notwithstanding any want of substance or form aforesaid.

R. S. O. c. 174,  
s. 538, re-  
pealed.

**12.** Section 538 of the said Act is hereby repealed, and the following substituted therefor:

538. The council of the municipality in which the deepening or drainage is to be commenced, shall serve the head of the council of the municipality into which the same is to be continued, or whose lands or roads are to be benefited without the deepening or drainage being continued, with a copy of the report, plans, specifications, assessment and estimates of the engineer or surveyor aforesaid; and unless the same is appealed from as hereinafter provided it shall be binding on the council of such municipality.

R. S. O. c.  
174, s. 540,  
amended.

**13.** The following is hereby inserted as sub-sections two, three and four of section 540 of the said Act:

(2) When it is proposed to continue the deepening or drainage from the municipality in which the same is to be commenced into another municipality, and when through misapprehension or mistake the council served with the report, plans and specifications of the engineer or surveyor, omits to appeal therefrom within twenty days, or has, when service thereof has been made since the passing of the twenty-sixth chapter of the Acts passed in the forty-fifth year of Her Majesty's reign, through misapprehension or mistake omitted to appeal therefrom within the said time, the judge of the county in which the municipality so served as aforesaid is situated may, upon application at any time before the drainage works have been already commenced or the contract let for the same, or the debentures have been actually issued under the said by-law, after the said twenty days have elapsed, by order grant permission to appeal upon such terms and conditions as to costs, and otherwise as he deems just and reasonable within a time to be limited by him in the order; or the other council or councils interested may by resolution waive the lapse of the said time, and in either of such cases the proceedings for appeal shall be the same as would have been required if the appeal had been gone on with in the proper time.

(3) The summons to shew cause why an appeal should not be allowed shall not be returnable in less than seven days from the service thereof, and the council or councils shall have power to amend any by-law or by-laws which may have been passed as shall become necessary or proper, by reason of the appeal or the result thereof.

(4) Where the omission to appeal has occurred as aforesaid since the passing of the said twenty-sixth chapter in the forty-fifth year of Her Majesty's reign, the municipality served shall, with the permission of the judge, be entitled to appeal within sixty days from the passing of this Act; provided such contract has not been let, or work commenced, or debentures issued, as aforesaid, at the time of the passing hereof.

Drains to be  
kept free from  
obstructions.

**14.** In the event of any ditch, drain, creek or water-course that has been constructed or opened up under the provisions of the Ontario Drainage Act, or any of the amendments thereto, or under the provisions of "*The Municipal Act*" respect-

ing drainage to be paid by local rate, becomes obstructed, so as the free flow of the water is impeded thereby, if the aforementioned obstructions have been wilfully placed in such ditch, drain, creek, or water-course, by any party or parties through whose land, or between whose lands, such ditch, drain, creek, or water-course is situate, the party or parties causing the same shall, upon notification by the council of the municipality in writing, remove such obstructions, and if not so removed within the time specified, the council shall, without further delay, have the same removed at the cost of the said party or parties.

(2) If such cost is not paid by the party or parties to the person performing the same when the work is completed, the council shall pay the amount to the party performing the work; and the clerk of the municipality shall place such amount upon the Collector's Roll against the party or parties, as the case may be, with ten per cent. added thereto, and the same shall be collected like other taxes, subject, however, to an appeal by the said party or parties, in respect of the cost of the work, to the judge of the county court of the county in which the lands are situate, in the same manner as is provided by section twelve of chapter one hundred and ninety-nine of the Revised Statutes of Ontario.

**15.** The said Act is hereby amended by inserting immediately after section 543 the following as Section 543a:

543a. Where the repairs required to be made under either of the two last preceding sections are so extensive that the municipal council does not deem it expedient to levy the cost thereof in one year, the said council may pass a by-law to borrow upon the debentures of the municipality the funds necessary for the work, and shall assess and levy upon the property benefited a special rate sufficient for the payment of the principal and interest of the debentures: the by-law shall not require the assent of the electors.

Power to borrow funds for repairs to drainage works.

(2) The provisions of *The Ontario Municipal Drainage Aid Act* shall apply to any debentures issued under the authority of any such by-law, if such by-law, before it was finally passed, was published or notified in the manner provided by section 531 of the said Act as amended by the Act passed in the forty-second year of Her Majesty's reign, chaptered thirty-one, and by the Act passed in the forty-fourth year of Her Majesty's reign, chaptered twenty-four, or, after it was passed, was promulgated in the manner authorized by section 319 of the said Municipal Act.

**16.** Where the lands on either side of a street, lane, or alley in a city, town, or incorporated village, in the opinion of the council, are from any cause unfit for building purposes, and the council deem it inequitable to assess the same for local improvements at as high a rate as the building lots fronting on said street, lane or alley, the council shall in all such cases determine in what proportion the cost of any such improvement shall be borne by the lands on each side of said street, lane, or alley, respectively.

How proportion of cost of local improvements is to be determined in special cases.

Provision respecting cost of bridges and culverts.

**17.** Wherever in places wholly within a city, town or incorporated village, it shall, in the opinion of the council, be deemed expedient and necessary to construct or repair bridges or culverts on any street, lane, or alley, for the more immediate convenience or benefit of any particular locality, and the council is of opinion that from any cause it is inequitable to charge the whole cost of such construction or repairs on the lands fronting thereon, the council shall determine what lands are benefited by such construction or repairs, and the proportion in which the cost thereof shall be assessed against the lands so benefited. The assessments made under this and the preceding section shall be subject to an appeal to the judge of the county court in the same manner and on the same terms, as nearly as may be, as an appeal from the court of revision, in the case of an ordinary assessment.

Council may permit owners to build or improve sidewalks in front of their lands.

**18.** The council may permit the owner or owners to build or improve the sidewalk in front of his or their lands, and any street, lane or alley within a city, town, or incorporated village, under the direction of the council or an officer thereof appointed for that purpose, and according to such plans and regulations, as the council may prescribe, in which case the owners or occupants of such lands shall be exempt from all taxes for improvements of a like nature so long as he or they shall keep the same in repair to the satisfaction of the council.

R. S. O. c. 174, s. 555, amended.

**19.** Sub-section two of section 555 of the said Act is hereby amended by inserting in the third line thereof, after the word "watered," the words "swept and lighted," and after the word "watering," in the fifth line thereof, the words "sweeping or lighting."

**20.** The said Act is amended by inserting the following as section 552a :

Time for repayment of loans.

(2) Every by-law for borrowing money shall provide for the repayment of the loan and the maturing of debentures to be issued pursuant to such by-law, within the probable life time of the work or improvement for which such debt has been incurred, as certified by the engineer or other proper officer to be appointed by the council for that purpose.

Where special assessments

(3) If in any case any debt has been incurred by the municipality for any work or improvement done or constructed

under the provisions of this Act, and after the incurring of the said debt the special assessment for such work or improvement or the by-law providing for borrowing money therefor, be set aside or quashed, either wholly or in part, on the ground of any irregularity or illegality in the making of such assessment or passing such by-law, it shall be lawful for the said council, and they are hereby authorized to cause a new assessment or assessments to be made, and to pass a new by-law or by-laws so often as may be necessary to provide funds for the payment of the debt so incurred for such work or improvement: Provided always that nothing herein contained shall be construed as authorizing any assessment to be made or work or improvement to be undertaken, except the same be initiated in some one of the three methods by law provided, namely:

improvements.

Provisions as to "Local Improvement Debentures."

(2) The by-law authorizing the issue of such debentures need not be submitted for the assent of the electors of the municipality; and the debentures being issued to pay for that part of the work payable by local assessment may, if the council thinks fit, be issued as a series distinct from those required to pay for that part which is to be borne by the general funds of the municipality, or all the debentures required for the work may be issued in one series, as "Local Improvement Debentures." This sub-section shall be deemed declaratory of the law on and from the fifth day of March, 1880.

R. S. O. c. 174, s. 70, amended.

 25 in such municipality should be determined by arbitration under "The Municipal Act," and the terms, unless the parties in the meantime agree, shall be settled accordingly, and such arrangement shall remain in force for ten years.

Municipality dissatisfied with terms as to railway in certain cases, may require an arbitration.

19. A company to which any lines of railway have been  
 30 transferred by a municipal corporation, shall, as respects the provisions of the next preceding section, stand in the same position as the municipal corporation from which it received such transfer.

street in proper repair; but this section is subject to any agreement between the company and corporation in respect of the said matters.

Provisions for use by one company of railway of another company and the compensation therefor.

15. Where there are more such companies than one in any municipality, and the council of the municipality is of opinion that it is in the public interest that any company should have the right to use a portion of the railway of another company,—and if after notice to the proprietor-company, so that it may be heard in opposition,—the council passes a resolution declaring such opinion, the said company shall have such right; and shall pay therefor such annual sum, or such proportion of the cost of maintenance, as may be agreed upon between the companies, or in case they cannot agree, as may be awarded by the majority of three arbitrators, one to be named by each of the companies, and the other by the two so named; but no company shall have the right to use the track of any other company for a greater distance, on any one street, than *two hundred* yards, without the consent of the proprietor-company.

(2) If for seven days after having received notice in writing of the appointment of an arbitrator, the company notified omits to appoint an arbitrator, or, if for seven days after the second arbitrator has been appointed the two arbitrators omit to appoint a third arbitrator, the judge of the county court of the county in which the municipality is situated may appoint an arbitrator for the party in default, or a third arbitrator, as the case may require. The arbitrators shall have authority to determine by whom, or in what proportion, the costs of the arbitration, reference and award shall be paid.

(3) In case the company using such right is in default in respect of any payment under the said agreement or award, the said company shall have no right to run over the said portion of road so long as the default continues: Provided that in case there is a dispute as to the amount actually owing, the company enjoying the right of user may apply to the judge of the county court for an order that it should continue to have such right; which order the said judge may make, upon such terms and conditions as to security and otherwise as he deems just; and the said judge may rescind, or from time to time vary, such order as occasion may require;

(4) If the part used is partly in each of two or more counties, the application shall be made to the judge of the county in which the greater portion of the part used is situate, or to the judge for the time being acting for him in the county.

(5) From time to time, after an agreement or award has been in force for five years, either company may give notice of its desire to terminate the arrangement, and thereupon the companies shall settle anew, by agreement, or by arbitration under this Act, the amount or proportion to be paid, and upon a new agreement being entered into, or a new award made, the former arrangement shall cease;

(6) Any Street Railway Company may, with the consent by by-law, of the local municipal council, and subject to any terms in the by-law set out, cross the line of any Street Railway Company; but shall pay the expense of altering the rails so as to permit thereof.

☞ (7) In case any Street Railway Company desires to cross the line of a railway company, within the legislative authority of this Province, not being a Street Railway Company, and such company objects, the Street Railway Company shall first obtain the sanction of the Commissioner of Public Works to the proposed crossing, and the mode of construction thereof. The Street Railway Company shall pay the expense of altering the rails of the line intended to be crossed, so as to permit of such crossing. The Commissioner shall, before giving his sanction, give to the objecting company an opportunity to be heard, and may impose such terms as to cost of maintenance, and as to other matters in connection therewith, as he deems proper. (*Vide* R.S.O. 165, s. 9, sub-ss. 15 and 16.) ☞

16. In case the council of any municipality shall by resolution declare that such council is of opinion that a company incorporated with power to construct a railway in the municipality should have powers of expropriation for the purpose of building a part of its railway between two or more points, set forth in the resolution, and situated within the municipality, and if the judge of the county court of the county certifies that in his opinion the building of the proposed railway between the said points will be of considerable public advantage or convenience,—the company, upon registering the resolution and certificate in the proper registry office, shall, in respect of lands lying between the points named, possess the powers conferred upon railway companies under the clauses of *The Railway Act of Ontario*, headed "Lands and their Valuation." See R. S. O. c. 165, s. 11. Expropriation of land, when and to what extent allowed.

(2) Such powers shall be exercised within two years from the passing of the resolution, and not afterwards, and the lands to be taken hereunder shall not exceed *one chain* in width.

☞ (3) The arbitrators, besides awarding to the owner the amount which they find to be the value of the land, shall award ten per centum of the amount so found in addition, and they shall in their award state what they find to be the value of the land, as well as the total amount to be paid to compensate the owners, or for damages. (R.S.O. c. 16, s. 19.) ☞

(4) The provisions of this section shall not apply to the tract of country extending three miles above and three miles below the Falls of Niagara, and for a width inland of one mile from the said River Niagara.

☞ 17. The by-law mentioned in the fourth section, and the resolutions mentioned in the fifteenth and sixteenth sections, are subject to the conditions and provisions of section 506 of *The Municipal Act*, R.S.O. c. 174. R.S.O. c. 174, s. 506, to apply to certain by-laws and resolutions. ☞

18. No municipal council shall grant to a street railway company any privilege under this Act for a longer period than *twenty* years, but at the expiration of *twenty* years from the time of passing the first by-law which is acted upon conferring the right of laying rails upon any street, or at such other earlier date as may be fixed by agreement, the municipal corporation may, after giving six months' notice prior to the expiration of the period limited, assume the ownership of the Time for which municipality may grant privileges limited.

railway, and all real and personal property in connection with the working thereof, on payment of the value thereof, to be determined by arbitration.

(2) In case the corporation fails to exercise the right of assuming the ownership of the railway, at the expiration of the said period, the said corporation may exercise such right at the expiration of any fifth year thereafter, upon giving one year's notice to the company, and the privileges of the company shall continue until the ownership is assumed by the municipal council.

Mode in which right to purchase to be exercised as between different municipalities interested.

**19.** If the company's line or lines is or are situated in two or more municipalities, the municipality in which the greater mileage of the company's line or lines is or are situated, shall have the right to exercise the power of purchase herein conferred, unless the municipal councils shall agree otherwise between themselves; and the corporation purchasing shall thereafter possess all the powers and authorities theretofore enjoyed by the company, and shall, as to other municipalities into which the line runs, be subject to the like liabilities; provided that where the municipalities are not all of the same character, they shall, independently of the length of mileage, exercise the right of purchase in the following order of preference, namely: first, a city; second, a town; third, a village; fourth, a township.

Municipality dissatisfied with terms as to railway in certain cases, may require an arbitration.

**20.** The council of a municipality into which a railway runs may at any time after the right of assuming the ownership of the railway accrues to such municipality, or to any other municipality, require that the terms upon which the railway shall be operated in such municipality be determined by arbitration under "*The Municipal Act*," and the terms, unless the parties in the meantime agree, shall be settled accordingly, and such arrangement shall remain in force for ten years.

(2) At the end of that period either party may require that the terms be settled anew in like manner for another period of ten years; but such settlement or agreement shall be without prejudice to the right hereinbefore conferred upon a municipality to assume the ownership of the railway at the expiration of any fifth year.

Application of preceding section.

**21.** A company to which any lines of railway have been transferred by a municipal corporation, shall, as respects the provisions of the next preceding section, stand in the same position as the municipal corporation from which it received such transfer.

Municipality acquiring railway may transfer same to a company.

**22.** The municipal corporation purchasing may, at any time, transfer its rights to its railway lines or any of them, and the whole or any part of the plant of the railway, to any railway company authorized to operate a railway; subject, however, to the provisions of the *eighteenth* section as to such railway and plant being assumed by a municipal corporation, entitled under that section, at the expiration of twenty years, or of such shorter period as may be agreed upon.

Who may exercise powers hereunder.

**23.** Any private person or firm may, subject to the like conditions, exercise any of the powers which, under this Act, may be exercised by a company.

24. Nothing in this Act contained shall apply to or affect any street railway company existing or incorporated before the passing of this Act, except only the fourth sub-section of the fourth clause. Application  
of Act.

5 25. No other parts of the Railway Act of Ontario, except those expressly hereinbefore mentioned, shall apply to a street railway under this Act. R.S.O. c. 165,  
to apply only  
so far as  
expressly  
mentioned.

**401.** Any debentures issued under the authority of any by-law which has been promulgated under chapter forty-eight of the Acts passed in the thirty-sixth year of Her Majesty's reign or under this Act, shall be valid and binding upon the corporation, notwithstanding any insufficiency in form or otherwise of such by-law, or in the authority of the corporation in respect thereof: Provided that the said by-law [has received the assent of the electors where necessary, and no successful application has been made to quash the same within the time limited in the notice of promulgation.] R. S. O. c. 174, s. 388 *part*; 44 V. c. 24, s. 34. (36 V. c. 48, s. 298; 39 V. c. 7, s. 2 (*Sched.*))

Consolidation.

Provided always, that (in order to obviate a difficulty which has been found to prevail in negotiating such local improvement debentures, in consequence of many of the same having to be issued for small and broken amounts), councils may, from time to time, after the passage of the several by-laws covering the several amounts required for particular local improvements as therein specified, and without in any way affecting the lien on the lands therein named and to be improved thereby, further pass a collective or cumulative by-law consolidating such several amounts, and issue the required debentures in a general consecutive issue under such consolidated by-law, apportioning, nevertheless, the amount raised thereby, and crediting each service with the amount previously estimated and named for the same under the individual by-law passed in the first instance;

And for the purpose of more readily carrying this proviso into effect, councils desiring to avail themselves of the same, shall insert a clause in such individual by-laws, intimating that the amount of debentures to be issued thereunder is subject to

consolidation, and in such case it shall be sufficient to state in said individual by-laws that the said amount of debentures to be issued thereunder shall be issued at so many years from the date of issue of the same, without defining a specific date ;  
 5 and provided further that no consolidated debentures shall be issued, covering any debentures which may have been issued or sold under any original by-law. (45 V. c. 23, s. 3.)

**404.** Any debentures to be issued by any Municipal Council may contain a provision in the following words : Mode of transfer may be prescribed.

“ This debenture, or any interest therein, shall not, after a certificate of ownership has been endorsed thereon by the Treasurer of this Municipal corporation, be transferable, except by entry by the Treasurer or his deputy in the Debenture Registry Book of the said Corporation at the Town (or Village) of \_\_\_\_\_, ” or to the like effect.

10 R. S. O. c. 174, s. 390. (36 V. c. 48, s. 300.)

 15 which he may give, and also every subsequent transfer of any such debenture ; such entry shall not be made except upon the written authority of the person last entered in such book as the owner of such debenture, or of his executors or administrators, or of his or their lawful attorney, which authority shall  
 20 be retained by the said Treasurer and duly filed. R. S. O. c. 174, s. 391. (36 V. c. 48, s. 301.) Debenture registry book.

**406.** After such certificate of ownership has been endorsed as aforesaid, such debenture shall only be transferable by entry, by the Treasurer of the Municipality or his deputy, in such  
 25 Debenture Registry Book, from time to time, as transfers of such debenture are authorized by the then owner thereof, or his lawful attorney. R. S. O. c. 174, s. 392. (36 V. c. 48, s. 302.) Registered debentures transferred by entry, etc.

**407.** The Council of every Municipality may authorize its head, with the Treasurer thereof, under the seal of the Corporation, to borrow from any person or bank such sums as may be  
 30 required to meet the then current expenditure of the Corporation, until such time as the taxes levied therefor can be collected, and the Council shall by by-law regulate the amounts to be so borrowed, and the promissory note or notes, [covenant,  
 35 or agreement] to be given in security therefor. R. S. O. c. 174, s. 393 ; 42 V. c. 31, s. 14. (36 V. c. 48, s. 303.) Council may authorize the borrowing of sums to pay current expenses.

**408.** No Council shall, unless specially authorized so to do, make or give any bond, bill, note, debenture or other undertaking, for the payment of a less amount than \$100 ; and any bond,  
 45 bill, note, debenture or other undertaking issued in contravention of this section, shall be void : but nothing herein contained shall be construed to affect or repeal so much of the provisions of sections 218 and 219 of the Act of the Parliament of the late Province of Canada passed in the session held in the twenty-  
 50 ninth and thirtieth years of the reign of Her present Majesty, and chaptered fifty-one, as is intended to prohibit Municipal Councils acting as bankers, or issuing notes to circulate as those of a bank. R. S. O. c. 174, s. 394. (36 V. c. 48, s. 304.) Without special authority, no bond, etc., to be given for less than \$100. Proviso.

HER MAJESTY, by and with the advice and consent of the  
Legislative Assembly of the Province of Ontario, enacts  
as follows:—

1. So far as the Legislature of Ontario has authority so to  
5 enact, all persons shall, subject to the provisions in this Act

the same, then it shall be lawful for the person requiring so to  
float and transmit such saw-logs and other timber, rafts and  
crafts, and it is hereby declared always to have been lawful to  
remove such obstruction, and to construct such apron, dam, slide,  
20 gate-lock, boom or other work necessary for the purposes afore-  
said, doing no unnecessary damage to the said river, creek or  
stream, or to the banks thereof.

All persons

floating down  
timber and

2. In case any person shall construct in or upon such river  
creek or stream, any apron, dam, slide, gate-lock, boom or other

made for the  
purpose of

Lieutenant-Governor in council may fix tolls.

4. The Lieutenant-Governor in Council may fix the amounts which any person entitled to tolls under this Act shall be at liberty to charge on the saw-logs and different kinds of timber, rafts or crafts, and may, from time to time, vary the same; and the Lieutenant-Governor in Council, in fixing such tolls shall have regard to, and take into consideration, the original cost of such constructions and improvements, the amount required to maintain the same, and to cover interest upon the original cost, as well as such other matters as under all the circumstances may to the Lieutenant-Governor in Council seem just and equitable. 10 15

Persons making improvements to have lien for tolls.

6. Every person entitled to tolls under this Act shall have a lien upon the saw-logs or other timber passing through or over such constructions or improvements for the amount of such tolls, such lien to rank next after the lien (if any) which the Crown has for dues in respect to such logs or timber, and if such tolls are not paid, any justice of the peace having jurisdiction within or adjoining the locality in which such constructions or improvements are, shall, upon the oath of the owner of such constructions or improvements, or upon the oath of his agent, that the just tolls have not been paid, issue a warrant for the seizure of such logs or timber, or so much thereof as will be sufficient to satisfy the tolls, which warrant shall be directed to any constable, or any person sworn in as a special constable for that purpose, at the discretion of the magistrate, and shall authorize the person to whom it is directed, if the tolls are not paid within fourteen days from the date thereof, to sell subject to the lien of the Crown (if any), for dues, the said logs or timber, and out of the proceeds to pay such tolls, together with the cost of the warrant and sale, rendering the surplus on demand to the owner: Provided always that the authority to issue such warrant by such justice of the peace shall not exist after the expiration of one month from the time of the passage of such logs or timber through or over any of such constructions or improvements. 25 30 35 40 45

An Act to make further provision respecting Elections to the Legislative Assembly.

HER MAJESTY, by and with the advice and consent of the Legislative Assembly of the Province of Ontario, enacts as follows:—

1. This Act may be cited as “The Election Amendment Short title.  
5 Act, 1883.”

2. Section eleven of *The Election Act* is amended by adding R. S. O. c. 10,  
thereto the following sub-sections : s. 11, amended.

(3) Any alteration of existing polling sub-divisions, or  
10 creation of new polling sub-divisions, shall be made before the  
publication of the voters' lists.

(4) For the purpose of enabling the council to make the  
required alterations, the clerk of the municipality, as soon as  
he finds that the number of qualified voters in any sub-division  
exceeds two hundred, shall call the attention of the council to  
15 the fact.

(5) In case, through oversight or from any other cause,  
such alterations have not been made prior to the publication  
of the lists, the alteration in the polling sub-divisions shall be  
made forthwith thereafter, but shall not take effect until the  
20 next voters' lists are being made out, and shall not affect the  
voting on or with respect to any previous voters' lists.

(6) It shall not be necessary for a Returning Officer to re-  
divide a polling sub-division, on account of the same contain-  
ing more than two hundred voters, so long as it does not contain  
25 more than three hundred; but if it contains more than three  
hundred, he shall divide it into two sub-divisions.

(7) Nothing in this section contained shall be held to  
relieve the council of any municipality from the duty of  
making a new division of the voters into polling sub-divisions,  
30 or re-dividing a sub-division as often as the number of quali-  
fied voters in any polling sub-division exceeds two hundred;  
and the corporation of any council neglecting to make any  
such new division or sub-division, for three months after it is  
the duty of such council to make it, shall incur a penalty of  
35 two hundred dollars.

3. The following is substituted for section nineteen of *The* R. S. O. c. 10,  
*Election Act* : s. 19, repealed.

19. In case where any such Sheriff or Registrar has died or Returning  
has been removed from or has resigned his office of Sheriff or Office, where  
office of Sheriff

or Registrar is Registrar, and his successor has not been appointed, the writ of election which might otherwise have been addressed to such Sheriff or Registrar, shall be addressed to such other person as the Lieutenant-Governor may appoint to be Returning Officer.

R. S. O. c. 10, s. 87, amended. 4. Section eighty-seven of the Election Act is hereby amended, by adding thereto the following as sub-sections three, four, five, six, seven, eight and nine :

(5) No person who receives a certificate under this section, whether as Deputy Returning Officer, poll clerk or agent, shall thereafter either at the polling place named in the certificate, or at any other polling place, vote at the election, until he has taken before the Deputy Returning Officer at the polling place where he proposes to vote, one or other of the oaths of qualification prescribed to be taken by voters, and any person violating the provisions of this sub-section shall be subject to a penalty of four hundred dollars ; and every vote cast in contravention of this sub-section shall be null and void.

(6) Such oath of the Deputy Returning Officer may be taken before a Justice of the Peace or before the Returning Officer, and the oath of a poll clerk or agent shall be taken before the Deputy Returning Officer, as in the case of other voters. (R. S. O. cap. 10, secs. 60, 85, 91.)
